PART I.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 24th July 1913.

No. R. 860-9—L. R. 211-13-1, DATED BANGALORE, 24TH JULY 1913.

ORDER.—It has been brought to the notice of Government that, owing to the absence of any provision in the Land Revenue Code or the Revenue Rules making it obligatory on the part of a Revenue officer to give due notice to the part es concerned of the hearing of cases by him in appeal, such notices are generally not given with the result that the parties whose interests were affected, have, in several cases, appealed to higher authorities on the ground of their not having been given an opportunity to represent their case. Government consider it desirable to give the parties to an appeal, an opportunity of representing their case before the subordinate appellate authorities.

2. Government are, therefore, pleased to direct, under Section 233 (*n*) of the Land Revenue Code, that the following rule be issued as Rule 102 A of the Land Revenue Rules published with Notification No. 264—R. 122, dated 10th July 1901:—

"102 A. No. order of a subordinate officer shall be modified or reversed without due notice of the hearing of the case in appeal being given to the party whose interest will thereby be affected."

3. A notification will accordingly be published in the Gazette.

Para 11 of Government Order No. 6381-6424—L. R. 480-12-4, dated the 5th May 1913, *re* the formation of an additional Revenue Sub-Division in the Mysore District in connection with the construction of the Cauvery Reservoir.

2. D. O. No. 448, dated the 26th May 1913, from the Chief Engineer in Mysore, submitting a list* of villages to be constituted into a sub-division.

*Printed as an appendix to this order.

3. Letter No. 10043—2, dated the 16th May 1913, from the Revenue Commissioner.

No. R. 811-4—L. R. 499-12-4, DATED BANGALORE, 22ND JULY 1913.

ORDER THEREON.—Government, on further consideration, are of opinion that it is not necessary to interfere with the existing boundaries of the taluks and constitute a new sub-division and that it is sufficient, in order to enable the Special Land Acquisition Officer to carry out the operations connected with the acquisition of the lands concerned and the resettlement of the displaced population, to regard him as a General Assistant Commissioner attached to the Mysore District and leave it to the Deputy Commissioner to invest him with the necessary revenue jurisdiction over the villages concerned.

2. Government are, therefore, pleased to direct that Mr. L. Krishna Rao, the Special Acquisition Officer, be appointed under Section 7 of the Land Revenue Code, a General Assistant Commissioner of the Mysore District. The Deputy Commissioner is requested to assign, under Section 8 (3) of the Land Revenue Code, all the duties and powers of a Deputy Commissioner of a District in respect of the villages to which the operations extend, to Mr. L. Krishna Rao, who will exercise the said powers and perform the said duties subject to the control of the Deputy Commissioner under Chapter XIII of the Code. The Sub-Divisional Officers of French Rocks and Mysore will cease to have jurisdiction over the said villages.

4. The bulk of the operations have to be carried on in the Yedatore and Krishnarajpete taluks. In order to assist the Amildars in the work connected with the acquisition of land and resettlement of the people, a Deputy Amildar will be attached to each of these taluks. Each of these Deputy Amildars will be allowed establishment on the same scale as that sanctioned for a 2nd class sub-taluk, but the full complement will not be entertained, except with the special sanction of the Committee appointed under the order of 5th May 1913, and for such period as may be fixed by them. With a view to facilitate the work in other taluks, *viz.*, Seringapatam, Mysore and Hunsur, Government are pleased to sanction the appointment of a Taluk Sheristadar with a gumasta on Rs. 20 for each of the taluks. These appointments will be made only when actually necessary at the discretion of the Committee and the period for which the appointments are made should be reported to Government.

READ—

Letter No. 7975, dated the 28th March 1913, from the Revenue Commissioner in Mysore, submitting the Comptroller's review on the working of the Treasuries in the State during the year 1911-12, and stating the measures adopted to improve the work:—

"I have the honor to submit herewith Comptroller's letter No. 4487—1055, dated the 14th January 1913, reporting on the working of the Treasuries in the State during the year 1911-12, and to state as follows.

2. The chief defects disclosed by the report and the statements accompanying it are as shown below:—

(*a*) The Treasuries of Tumkur, Kolar, Kadur and Bangalore occasioned much delay in the submission of the lists of payments.

(*b*) None of the Treasuries sent vouchers and subsidiary statements with the cash accounts and the Treasuries of Bangalore, Tumkur, Hassan, Kolar and Kadur did not send some of the subsidiary returns for months together in spite of repeated calls.

(*c*) The Treasuries of Kadur, Chitaldrug, Shimoga, Mysore and Bangalore Districts delayed the submission of the annual returns.

(*d*) There was a considerable delay in the return of the objection statements in Bangalore, Kadur and Chitaldrug Districts.

3. The attention of the Deputy Commissioners concerned will be invited to the drawbacks mentioned above and they will be requested to take steps for avoiding such delays in future. The Bangalore District Treasury has given the largest cause for complaint. Judging from the reports of previous years, however, it may be stated that since the transfer of the work of the State Huzur Treasury to this District Treasury there has been some difficulty in promptly submitting the accounts. Proposals for strengthening the establishment have been submitted to Government. With the increase of establishment, it is hoped that the Treasury will be able to cope better with its work.

4. There has been a general complaint too that the establishments for the Treasuries of the other districts are inadequate. How far there has been an increase in the work of these Treasuries since the present scale of establishment was sanctioned, is under investigation.

5. Among some of the other important measures adopted recently to improve or facilitate the work in Treasuries, the following may be mentioned:—

(*a*) Issue of a circular containing supplementary instructions for the maintenance of subsidiary registers in Taluk Treasuries.

(*b*) Supply of printed books for the subsidiary registers maintained in the Taluk and District Treasuries.

(*c*) The alteration of the daily hour of closing transactions with the public at the Bangalore District Treasury from 4 P.M. to 3 P.M.

6. The periodical inspection reports of the Revenue and Treasury Officers were as usual scrutinised in this office. A short account of the work done by Revenue Officers by way of inspection has been embodied in the Revenue Administration Report for the year 1911-12.

7. I may state in conclusion that on the whole the working of the Treasuries during the year under report was satisfactory."

ENCLOSURE.

Letter No. 4487—1055, dated 14th January 1913, from J. S. Chakravarti, Esq., M.A., F.R.A.S., etc., Comptroller to the Government of His Highness the Maharaja of Mysore, to the Revenue Commissioner in Mysore, Bangalore.

"I have the honor to forward herewith my review on the working of the Treasuries in the State for the year ending 30th June 1912 with the statements usually appended to it for being submitted to Government with your report.

1. *Lists of payments and cash accounts. Statement A. Column 3. Statement B. Column 3. Statement C.*—No District Treasury, except Hassan, sent the lists of payments and the cash account on the due dates. The Hassan District Treasury which stood first in point of punctuality in the previous year has maintained its position this year also and there was, taking the average for the year, a delay of only two days in the submission of the 1st list of payments and of one day in the 2nd list. The Cash Accounts were sent on the prescribed date. Next comes Mysore, which has also maintained the improvement noticed last year,

the number of days beyond the due dates taken for the submission of the two list of payments and the Cash Account being 4, 3 and 1, respectively, as against 5, 3 and 2 in 1910-11. Chitaldrug shews no improvement, the delay being 6, 2 and 2 days as against 5, 1 and 2 in the previous year. Tumkur, Kolar and Kadur Districts also shew no perceptible improvement and the delay of 10 days in the submission of the first list of payments in these comparatively minor districts is inexcusable and they should also endeavour to avoid the delay of from 3 to 4 days in the transmission of the Cash Accounts. Shimoga shews a deterioration, the delay being 7, 2 and 2 days as against 4, 1 and 1 respectively in the previous year. Last comes the Bangalore District Treasury with a delay of a *fortnight* in the despatch of the first list of payments and of about a week in sending the 2nd lists and the Cash Accounts. As compared with the previous year the deterioration in the case of this Treasury is even more noticeable than in that of the Shimoga Treasury. The heaviness of its transactions consequent upon the transfer of the work of the State Huzur Treasury thereto, is apparently the excuse of the Treasury for this delay; but as the Treasury establishment was also strengthened when the work was increased, it should be possible to submit the returns punctually.

2. *Vouchers and Subsidiary Statements.*—As will be seen from columns 4 (*a*) and (*b*) of Statements A and B, none of the Treasuries sent all the vouchers and subsidiary statements along with the Cash Accounts and it is a matter for regret that the Treasuries have not realised the necessity and importance of sending these documents and returns in time. Almost every month this office has to call for documents which ought to be received as a matter of course, on the appointed dates and even in spite of such calls, some of the Treasuries notably Bangalore, Tumkur, Hassan, Kolar and Kadur Districts do not send the larger returns such as Loans and Deposit statements and Municipal Plus and Minus Memos and Lock-up Contingent bills, for months together. This has formed the subject of frequent circulars issued by this office to Treasuries and the absence of any perceptible improvement in this respect from year to year is being brought to notice in these reports almost every year. If the procedure laid down in paras 688, 690 (*a*) and 691 of the Mysore Treasury Manual is observed it will ensure the punctual submission of the above returns. The Deputy Commissioners, Treasury Department, should make it a point to ascertain before signing the Cash Accounts if all the subsidiary statements as now indicated in the 1st page of the Cash Accounts, are ready for despatch and insist on their being sent along with the Cash Accounts. Personal attention on the part of the Deputy Commissioners and Treasury Officers is necessary for remedying this standing defect. As the work in this office is seriously hampered by the non-submission of these returns in time and the books and accounts for each month in the several Departments of the office cannot be closed on the prescribed dates, I bring the matter for your special notice.

The condition in which the subsidiary statements are received also leaves much to be desired. The totals of these statements should be agreed by the Treasury with its Cash Accounts before they are sent to this office and omission to do this entails unnecessary correspondence. Difference between the Cash Accounts and the subsidiary statements shews want of care in preparing these statements and this added to the belated submission of these statements causes no little inconvenience to this office. Not unfrequently have the Treasuries proposed corrections in the Treasury Accounts quite unmindful of the details in the subsidiary statements.

3. As usual a list shewing the vouchers overdue and not received from the Treasuries has been prepared and appended to this Review. Most of these consist of Potgi bills and as already pointed out last year, the inordinate delay in their submission requires investigation.

4. *Annual Returns, Statement D.*—These were received on the due dates from the Hassan District Treasury. The delay in the Kadur, Chitaldrug, Shimoga and Mysore Districts varied from a fortnight to a month. There was a delay of more than a month in the submission of these returns in Kolar and Tumkur and more than two months in the Bangalore District. The delay in the submission of the Annual Savings Bank Accounts has been noticed in the report on the working of the Savings Banks submitted to Government on the 6th instant.

5. *Objection statements, Statement E.*—There has been considerable delay in the return of these statements in Bangalore, Kadur and Chitaldrug Districts.

6. *Items objected to miscellaneous* (*Statements A & B, columns 5 to 8*).—The defects and omissions noticed during the examination of the lists of payments and Cash Accounts and the audit of paid bills are detailed in Statement A. The following deserve special notice:—

(1) A last pay certificate was granted by Mr. Dwarkanath (Sharistadar) for Amildar of Tiptur to a Sub-Assistant Surgeon in which the date of last payment was wrongly entered and this was countersigned by Mr. Narasinga Rao Purnaiya, District Treasury Officer, Tumkur. The errors resulted in a double payment.

Land Revenue, dated 28th July 1913.

The District Treasury Officer states that the mistake was caused by relying upon the Taluk Treasury Officer's certificate and by not veryfying the certificate with the list of payments.

The Sub-Assistant Surgeon Mr. David Pearl who drew pay for the second time states that he was not able to contradict from memory the last pay certificate that had passed through the hands of so many officers and was thus led to submit a second bill for the same claim.

The Senior Surgeon in forwarding the explanation states that the Sub-Assistant Surgeon's conduct has been duly noticed. The amount was recovered in full from the Sub-Assistant Surgeon's salary bill for June 1912.

(2) A refund bill for Rs. 3-10-9 in favor of one Balagai Singa was cashed in the Chikballapur Taluk Treasury in January 1912 without being preaudited in this office. The matter was brought to the notice of the Revenue Commissioner who has reported in his No. 796, dated 19th—24th July 1912, that the Deputy Commissioner, Kolar, has been requested to recommend a suitable punishment for the Taluk Sheristadar and to punish the other officials at fault.

(3) Two bills were paid in the Bangalore District Treasury without applying arithmetical check to them and two others in the absence of instructions from this office to pay them.

(*a*) In the Deputy Commissioner's Office pay bills for the months of September and October 1911 the details did not work up to the total and still the total amounts of the bills as shown therein were paid.

(*b*) The scholarship bills of the two sons of the late Mr. C. Krishna Rao, Amildar of Nelamangala Taluk, for the months of March and April 1912 were paid without the authority of this office.

No. R. 947-56—L. R. 437-12-2, dated Bangalore, 28th July 1913.

Order thereon.—Recorded.

2. Government observe that a large number of vouchers relating to the years from 1906 are still due from all the districts. The Revenue Commissioner is requested to obtain and forward to Government the explanations of the Deputy Commissioners concerned (Treasury Department) for failing to transmit the vouchers promptly to the Comptroller.

Letter No. 1018, dated the 21st June 1912, from the Registrar of Co-operative Societies in Mysore, recommending that Co-operative Societies may be exempted from the payment of the fee prescribed in Rule 40 of the Land Revenue Rules, for the Registration of their names in the Special Notice Register maintained in the taluks.

No. R. 968-77—L. R. 619-12-2, DATED BANGALORE, 28TH JULY 1913.

ORDER THEREON.—It is represented by the Registrar of Co-operative Societies that, to require a Society to pay a fee of one rupee on every application made by it for registering its name in the Special Notice Register, will have the effect of compelling the Society either to incur a heavy expenditure on its loan transactions or to take the risk of finding its security less valuable than it anticipated, by neglect of this precaution.

2. Government observe that Co-operative Societies being in an infant stage require help and support, and are therefore pleased to exempt them from the payment of the prescribed fee for getting their names registered in the Special Notice Register.

3. Government are also of opinion that, with a view to eliminate from the register from time to time the names of persons who are dead or have lost their interest in the lands concerned, it is necessary to make the entries in the register renewable periodically. They are therefore pleased to direct that the entries in the Special Notice Register should be renewed every five years, no additional fee being, however, charged on applications for renewal.

4. The following notification will accordingly be published in the Gazette:—

NOTIFICATION.

Under Section 233 (*n*) of the Mysore Land Revenue Code (Regulation IV of 1888), the Government of His Highness the Maharaja of Mysore are pleased to direct that the following addition be made to Rule 40 of the Land Revenue Rules issued under Notification No. 264—R. 122, dated 10th July 1901 :—

At the end of Rule 40 as it now stands, add the following—The registry thus made shall not give a right to the parties concerned to receive notices under this rule for more than five official years beginning with the year of registry unless a fresh application is made before the expiry of the period and the entry in the register renewed. No fee will, however, be charged on applications for such renewal.

"No fee will be charged on applications made by Co-operative Societies for entering their names in the register referred to above."

Letter No. 5629, dated the 10th January 1913, from the Revenue Commissioner in Mysore, reporting that the Deputy Commissioner, Tumkur District, has, on his own authority, ordered the cancellation of the inam tenure of Survey Nos. 81 and 90 of the Gulur village and 14 of Gulur Amanikere village, Tumkur Taluk, formerly assigned as carpenter service inam, on the ground that neither the Khatedar Veerappa nor his father has for a long time resided in the villages in which the lands are situate, or performed any professional service to the village community, and recommending that, as the Deputy Commissioner had no power to order the resumption of the inam, his action may be formally ratified by Government.

No. R. 1048-58—L. R. 333-12-2, DATED BANGALORE, 30TH JULY 1913.

ORDER THEREON.—Under the circumstances reported, the order of the Deputy Commissioner, Tumkur District, is approved. It is observed from the vernacular papers that Narasimhappa, the person in enjoyment of Survey No. 14 of Gulur Amanikere village, has only been paying the jodi thereon from the time the land came into his possession. The difference between the survey assessment and the jodi should be recovered from him for the period during which he has been in possession before the land is finally confirmed to him as an ordinary kandayam land.

2. As regards the question incidentally raised by the Revenue Commissioner about the competency of the Deputy Commissioner to order the resumption of inam in such cases, Government are of opinion that the authority competent to grant an inam can alone order its resumption; and they are accordingly pleased to direct that all cases of resumption of inam should be reported for the orders of Government.

I. Government Order No. R. 5573-5—Ft. 113-07-2, dated the 27th February 1908, approving of the reservation under Section 4 of the Forest Regulation of the Bababudan Block in the Chikmagalur and Tarikere Taluks.

II. Letter No. 7629, dated the 15th March 1913, from the Revenue Commissioner in Mysore, submitting the following letter from the Forest Settlement Officer in Mysore, reporting the conclusion of the settlement of the block.

Letter No. 358, dated 12th June 1912, from the Forest Settlement Officer in Mysore, to the Revenue Commissioner in Mysore, through the Deputy Commissioner, Kadur District:—

I have the honour to report on the conclusion of the settlement of the Bababudan Forest in the Chikmagalur and Tarikere Taluks of the Kadur District.

2. The initial notification under Section 4 of the Mysore Forest Regulation was issued by Government with Government Order No. R. 5576—Ft. 113-97-3, dated the 27th February 1908, and the same appeared on pages 193 and 194 of the *Mysore Gazette*, Part I, dated the 5th March 1908.

The proclamation under Section 5 of the said Regulation was issued by my predecessor Mr. M. Shama Rao, M. A., and the same was published on pages 254 to 256 of the Mysore Kannada Gazette, Part II, dated the 23rd April 1908. The proclamatory notices were served on the raiyats of the affected villages through the Amildars concerned.

3. I inspected that portion of the forest within the limits of Melhulvatti and Kesvinamane on the 8th May 1910. As the line was cleared full 12 months before my inspection, considerable difficulty was experienced in identifying it, owing to the line having been overgrown with shrubs in some places, while in other places, there was no trace of it. In the absence of a guide of the Forest Department well acquainted with the line and as the road from Siddergavi to Kalhatti was reported to be unfit for travelling at that time, I thought it fit to perambulate during the next cold season the remaining portion of the line within the village limits of Thigada and Kamandurga in the Tarikere Taluk, on my way to Shimoga. In my perambulation, I found the line passing through (coffee estate) S. Nos. 70 and 71 of Kesvinmane in the holding of one Mr. Brito, cutting up the estate into two portions and enclosing the latter survey number within the reserve. I therefore decided that S. No. 71 be totally excluded from the limits of the forest by diverting the line.

The remaining portion of the block in question within the limits of Kamandurga and Thigada villages in the Tarikere Taluk was perambulated and inspected by me from the 15th to 18th April 1911, in company with the Amildar Mr. Vasudeva Rao. Though a month's previous intimation was given to the District Forest Officer regarding the settlement of the remaining portion of block in question, no representative of the Forest Department came to my camp to help me in the enquiry.

4. The villagers affected by the proposed reservation appeared to be very indifferent as regards their rights and privileges. In the Tarikere Taluk the attendance of a few of them was secured by the Taluk Amildar with the greatest difficulty. Only four claims (which have been recorded in the 'B' register) as classified below were preferred to me during the enquiry.

(i) Three claims to right of way.

(ii) One claim to the right of removing canes from the reserve for agricultural purposes.

All the above claims were admitted.

5. According to the proposal of the Forest Department, the bungalow on the Kalhatti Hill and its premises had been included in the block in question. In view of its usefulness as a hot-weather resort I ordered that the entire S. No. 3 on which the bungalow stands, be demarcated out free from reservation and treated as an enclosure.

Coffee planter Mr. Dunn, living in the neighbourhood of Kalhatti, on behalf of the planters, represented that they should be allowed the privilege of beating the jungle around Kalhatti for 4 or 5 miles in quest of game, as this has been a favourite place for shikar from time immemorial. I beg to submit herewith his letter dated the 18th April 1911, for orders.

6. The Deputy Commissioner of the Kadur District intimated in his letter No. 458, dated the 23rd and 24th August 1911, that no appeal was preferred to him against my decision relating to the settlement of the block under report.

7. The following records are herewith submitted :—

(1) 'B' Register.

(2) 'C' Register.

(3) The boundary notification.

(4) The sketch map.

(5) The topo-tracing.

8. The date from which the reservation is to take effect may be kindly inserted in the draft boundary notification.

(1) Government Notification No. R. 641—Ft. 13-08-2, dated the 29th July 1908, notifying under Section 4 of the Forest Regulation, the proposal to constitute the Harohitlu Block in the Nagar Taluk as a State Forest.

(2) Letter No. 7905, dated the 26th March 1913, from the Revenue Commissioner in Mysore, regarding the conclusion of the settlement of the block.

I have the honor to forward herewith for the orders of Government the marginally noted papers relating to the report by the Forest Settlement Officer on the conclusion of the settlement of the Harohitlu Forest Block in the Nagar Taluk of the Shimoga District.

1. Letter No. 264, dated 6th October 1912, from the Deputy Commissioner, Shimoga.
2. Letter No. 181, dated 6th December 1911, from the Forest Settlement Officer.
3. Draft Notification.
4. "B" Register.
5. "C" Register.
6. Map.
7. Sketch.

2. The block under reference measures as settled 4,439 acres, 28 guntas or 6·93 square miles in extent and lies to the south of the Kumadvati river in the Nagar Taluk. It comprises assessed waste, kharab and gomal lands as detailed in the margin belonging to five villages.

	A.	G.
Assessed waste	21	11
Kharab	2,932	17
Gomal	1,486	"
Total ...	4,439	28

3. The extent of gomal left remaining in the villages appears to be more than adequate for the number of cattle therein. In view of the kharab lands available in the villages of Arsalu and Tammadikoppa being scanty, the Deputy Commissioner recommends that the raiyats in these two villages may be granted permission to take from the reserve, honne and jambe wood for purposes of house-building and for agricultural implements, and to graze cattle in the reserve on payment of lump sum fees. The proposal of the Deputy Commissioner may be accepted and the concession recommended may be granted.

4. The following thirteen claims were preferred before the Forest Settlement Officer and all but three were admitted by him :—

(i) Right to free grazing	1
(ii) Right of way	2
(iii) Rights not falling under any of the above	10

In lieu of the right to free grazing which was rejected, the Forest Settlement Officer reports that an adequate extent of pasture lands was excluded from the reserve.

5. No appeals, it is reported, were preferred to the Deputy Commissioner against the decisions of the Forest Settlement Officer and the Deputy Commissioner is agreeable to the reservation of the tract in question. The final notification may therefore issue.

Letter No. 264, dated 8th October 1912, from K. Srinivasa Rao, Esq., Deputy Commissioner, Shimoga District, to K. S. Doraiswami Iyer, Esq., Revenue Commissioner in Mysore, Bangalore.

I have the honor to forward herewith the marginally noted papers regarding the settlement of the proposed Harohitlu State Forest in the Nagar Taluk with the following observations.

1. Forest Settlement Officer's letter No. 181, dated 6th December 1911.
2. Draft Notification.
3. "B" Register.
4. "C" Register.
5. Map.
6. Sketch.

2. From the "C" Register (Col. 14) it is ascertained that the kharab survey numbers other than the gomal left for Arsalu and Tammadikoppa villages which measures 25 acres and 12 guntas, and 23 acres and 30 guntas, respectively, appear to be inadequate, as the extent of kharab noted in column 7 of the "C" Register for these villages which includes village site, etc., has to be excluded as affording no scope to the raiyats for obtaining fuel and wood for their domestic and agricultural needs to which they are entitled to under the Malnad Raiyats' Privileges Rules.

3. The raiyats of Arsalu and Tammadikoppa personally represented before the Amildar when he visited those villages on 20th March 1912 that the gomal of their villages which were included within the limits of the proposed State Forest were the best for the growth of

pasture owing to their peculiar situation. It was also represented that durable wood for the agricultural implements of the raiyats was procurable only in survey numbers selected for reservation. They prayed for the following concessions :—

(1) Permission to graze their cattle either free or at the concession rates of 6 pies and one anna per head or that grazing fees may be levied in a lump at the prevailing rates.

(2) Permission to remove green wood for fuel, free of seigniorage from the block at 20 cart-loads for each house-hold.

(3) Permission to remove fibres such as *Bendenaru* and *Kavalenaru* for their agricultural requirements.

(4) Permission to remove wood of a durable kind free of seigniorage for their agricultural implements ; and

(5) The grant of jambe, honne, beete, and other durable wood at concession rates for house-building.

4. I am of opinion that the local conditions require that the raiyats of these two villages should be granted the following concessions within the reserve :—

(1) Permission to graze their cattle on payment of a lump sum kulbanni based on current realisation.

(2) Grant of the lops and tops of honne trees for agricultural implements (*vide* Government Order No. R. 5865-6—Ft. 146-08-1, dated 9th February 1909).

(3) Grant of jambe wood at rupee one per cart-load for house-building ; and

(4) Permission to remove free of seigniorage *Bendenaru* and *Kavalenaru* for *bona fide* agricultural requirements.

5. The number of families of Tangalvadi village allowed to remove fuel, etc., within the block, as also the head of cattle allowed to graze free within the block have been specified in the Settlement Officer's decision. This seems to be unnecessary as the object of the settlement is intended to provide for the future increase of population and live-stock within the village.

6. With the foregoing reservations, the proposed block may be constituted into a State Forest.

Letter No. 181, dated 6th December 1911, from C. Venkata Rao, Esq., B. A., Forest Settlement Officer in Mysore, to K. P. Puttanna Chetty, Esq., Revenue Commissioner in Mysore, through the Deputy Commissioner, Shimoga District.

I have the honor to report on the conclusion of the settlement of the Harohittu Block in the Nagar Taluk of the Shimoga District.

2. The initial notification under Section 4 of the Mysore Forest Regulation proposing to constitute the area into a State Forest, appeared on pages 476 and 477 of the English issue of the *Mysore Gazette*, Part I, dated the 30th July 1908, and the proclamation under Section 5 of the said Regulation was issued by my predecessor in office Mr. M. Shama Rao and the same was published on pages 527, 528 and 529 of the Kannada issue of the *Mysore Gazette*, Part II, dated the 20th August 1908.

3. The proclamatory notices were got served on the villagers concerned through the Amildar of the Nagar Taluk.

4. I perambulated and inspected the tract in question in company with the Amildar and the Range Officer on the 5th and 6th April 1911.

5. The following thirteen claims were preferred to me during the enquiry:—

(i) One claim to right of free grazing.

(ii) Two claims to right of way ; and

(iii) Ten claims to rights not falling under any of the above.

(i) In lieu of free grazing an adequate extent of pasture lands was ordered to be excluded from the reserve.

All the claims in (ii) were admitted. Out of ten claims in (iii) eight were admitted and two rejected.

6. The Deputy Commissioner has intimated in his docket No. 413, dated the 18th July 1911, that no appeals have been preferred to him against my decision relating to the block in question.

Revenue (Forest), dated 14th July 1913.

7. The undermentioned records are herewith submitted :—

(i) 'B' Register.
(ii) 'C' Register.
(iii) Sketch map.
(iv) Boundary notification ; and
(v) Topo-tracing.

8. The date from which the reservation is to take effect may be inserted in the draft boundary notification.

It should be shifted farther away from it.	.....	The line may be shifted half a furlong from the cultivated lands.	As the line touches cultivated land bearing Survey No. 55, the same will be shifted farther away to a distance of about 5 chains and be made to run along the eastern boundary line of the village meeting the Kumudvati river at a point 14 chains from the north-east corner of Survey No. 53 of the Arasalu village. He therefore prays that a portion of Survey No. 56 now proposed to be reserved may be excluded for the cattle of the dakhle village and that the villagers may be allowed to remove 20 cart-loads of fuel for each house from the reserve.	.....	Dead wood may be allowed to be removed from the reserve.	The area left for the Arasalu village consists of 682 acres, 17 guntas of gomal land and 99 acres, 10 guntas of kharab land and this should be more than enough for a village with a population of 167 persons and a live-stock consisting of 248 head of horned cattle. But as the dakhle village of Tangalvadi is separated from the main village of Arasalu by the Kumudvati river which is not fordable for several months in the rainy season, the raiyats concerned cannot take their cattle to Survey No 31 which is the gomal land situated within the easy reach of the Asli village. As the only gomal land, *viz.*, Survey No. 56, which is accessible to the raiyats of Tangalvadi has been proposed to be included within the reserve, I decide that the raiyats of this village be entitled to graze their cattle (50), free within the proposed reserve during the prescribed period of the year, and to remove 20 cart loads of fuel per annum from it, from the unreserved and unclassified trees for each house. It is ascertained that there are only 6 houses in the dakhle village of Tangalvadi. C. VENKATA RAO, Forest Settlement Officer. 7th April 1911.	.....

In my perambulation and inspection of the block, I found a good tank situated in Survey No. 58, which irrigates several lands of the village I do not know why this tank was not shown in the village map. The extent of land taken to this reserve from this village is very small, and so the objection proposed may be taken and concession for free grazing and for the removal of dead wood for fuel may be extended to this village.	A large extent of land of this village consisting of 1,591 acres, 16 guntas has already been included in the adjoining Musarna State Forest. I therefore hold that it is unfair to again trench upon the lands of this village for being included within the Harobidu reserve. I accordingly direct that the extent of 120 acres of land proposed from this village for the reserve in question be excluded altogether C. VENKATA RAO, Forest Settlement Officer. 7th April 1911.	...

Including the area now excluded by the alterations of the boundary line as above ordered, the village of Tammadikoppa will have 556 acres, 17 guntas of gomal land and this extent should be considered as quite sufficient for the villagers. I therefore reject the patel's prayer. C. VENKATA RAO, Forest Settlement Officer. 7th April 1911.		

Revenue (Forest), dated 14th July 1913.

6	Manja, Khatedar of Survey No. 11 of Tammadihoppa.	5th April 1911	States that his land Survey No. 11 (Bagayat) is included in the reserve, that he is not inclined to give it over to the Forest Department, as it is the only garden land in his possession, that it may therefore be demarcated out free from reservation with access to it and that he may be allowed to remove 20 cart-loads of soppu annually.	.....	.....	Manja of Haramballi has set up a claim to Survey No. 11 (Bagayat). But this number is not shown in the statement of lands proposed to be included in the reserve nor is there a statement of enclosures forthcoming in the papers connected with this forest. Evidently, by oversight, this land has been treated as part of the big Survey No. 10. He has adduced evidence in support of his claim. I accordingly decide that the said Survey No. 11 as well as the adjoining katte known as gaddathotadakere be demarcated out free from reservation with an approach to it leading from Survey No. 13 of Tammadihoppa (width to be 15 feet). As he has to depend upon the jungle surrounding his land for leaf manure for his Bagayat land, I also decide that he be entitled to remove twenty cart-loads of soppu from the unreserved and unclassified trees, within the block every year. C. VENKATA RAO, Forest Settlement Officer. 7th April 1911.	.....	.....
	Gurubasappa, a leading ryot of Harobidu, on behalf of ryots.	4th April 1911	Represents that the line should be removed further away from Survey Nos. 7 and 9, that Survey No. 7 depends for its water-supply on a small tank situated to the west of Survey No. 8 and that this tank may also be excluded	.....	The line may be shifted half a furlong from the cultivated lands and the concessions prayed for may be granted.	The line runs too close to this village near Survey Nos. 8 and 9. Besides, it includes a tank (known as Chakere) on which the adjoining re-cent garden bearing Survey No. 7 depends for its water-supply. I accordingly direct that the line be shifted away to a distance of five chains from the south-west corner of Survey Nos. 9 and 8, and 67 chains from the south-west corner of Survey No. 13. That is, the line will begin at the southern village boundary at a point 67 chains west from the south-west corner of Survey No. 13 and run straight meeting the southern boundary of Survey No. 27 at a distance of 14 chains west from the north-west corner bandhs of Survey No. 6 (tank); then in a north-easterly direction meeting the said bandhs of Basapar and Harobidu. By this arrangement about 92 acres of land proposed to be included within the reserve will be excluded for the benefit of the villagers. C. Revenue (Forest), dated 14th July 1913.

Proceedings of the Government of His Highness the Maharaja of Mysore,

(3) Letter No. 9322, dated the 9th May 1913, from the Conservator of Forests in Mysore, offering his remarks.

I have the honor to retransmit herewith the marginally noted papers relating to the settlement of the Harohitlu Block in the Nagar Taluk, received with your letter No. R. 5654—Ft. 115-12-2, dated 8th April 1913, and to state that as the Forest Settlement Officer has made ample provision for the village requirements and as there have been no appeals against his orders, it seems inexpedient to make any further concessions as recommended by the Deputy Commissioner. As regards the two villages particularly noticed by him, the facts and figures noted in the statement enclosed herein do not indicate that they have been hardly dealt with.

1. Revenue Commissioner's letter No. 7905, dated 26th March 1913, to Government.
2. Deputy Commissioner's letter No. 264, dated 8th October 1912, to the Revenue Commissioner.
3. Forest Settlement Officer's letter dated 8th December 1911, No. 181, to the Revenue Commissioner.
4. B. Register.
5. C. Register.
6. Boundary Statement.
7. Map and topo tracing.
8. A file of Deputy Commissioner's correspondence.

2. The specification by the Forest Settlement Officer of the number of cattle allowed to graze free and of the number of families allowed to remove fuel, etc., from the forest to which exception is taken by the Deputy Commissioner, Shimoga, is in accordance with Section 12 of the Forest Regulation, and hence it need not be noticed.

3. The total under column 11 'Kharab' of the "C" Statement against the Harohitlu village is put down as 2,215 acres, 17 guntas on actual addition it is 2,225 acres, 17 guntas. This requires correction.

4. Government Orders may kindly be obtained early to notify the block as a State Forest under Section 17 of the Forest Regulation.

No. R. 423-7—Ft. 115-12-4, dated Bangalore, 14th July 1913.

Order thereon.—The settlement is approved. The forest will be declared under Section 17, as a State Forest with effect from the 15th August 1913. Government see no sufficient reason to grant any further concession as suggested by the Deputy Commissioner.

(ii) Right to water	... 1
(iii) Claims not falling under any of the above	... 14

An appeal was preferred by the District Forest Officer against the decision of the Forest Settlement Officer in respect of the exclusion of certain lands from the reserve in the interest of the grazing needs of Gummalapalli and the five hamlets attached to it. The Deputy Commissioner's order thereon has been recorded in the register of claims which forms one of the enclosures to this letter.

5. As no objection has been recorded by the Deputy Commissioner to the reservation in question the final notification may issue.

Letter No. 137, dated 12th October 1912, from the Forest Settlement Officer in Mysore, to the Revenue Commissioner in Mysore, through the Deputy Commissioner, Kolar District.

I have the honor to report on the conclusion of the settlement of the Ittikaldurga Block IV in the Bagepalli Taluk of the Kolar District.

2. The initial notification under Section 4 of the Mysore Forest Regulation, proposing to constitute the area into a State Forest, appeared on pages 384 and 385 of the *Mysore Gazette*, Part I, English, dated the 25th August 1910, and the proclamation under Section 5 of the said Regulation was issued by me, and the same was published in the Kannada Gazette, Part II, dated the 22nd September 1910. The proclamatory notices were got served on the villagers concerned through the Amildar of the Bagepalli Taluk.

3. The locality was inspected and perambulated by me in company with the Amildar and the Range Officer on the 18th August 1911. As this block is also an extension of the Ittikaldurga Block I, the observations of Government made in Government Order No. R. 3633-4—Ft. 34-07-6, dated 11th December 1907 apply with equal force thereto; and the settlement thereof has therefore been made with due regard to the exercise of the rights and privileges of the raiyats concerned.

4. The undermentioned seventeen claims were preferred to me during the enquiry :—

(i) Two claims to right of way.

(ii) One claim to right to water.

(iii) Fourteen claims to rights not falling under any of the above. All the claims in (i) and (ii) were admitted. Of the 14 claims in (iii) eleven were admitted and three rejected.

5. The Deputy Commissioner has intimated in his docket No. 18, dated 6th August 1912, the result of the appeal preferred to him by the District Forest Officer against my settlement decision, and the same has been noted in the prescribed column of the "B" Register.

6. The following records are herewith submitted :—

(1) "B" Register,
(2) "C" do,
(3) Sketch map,
(4) Boundary Notification, and
(5) Topo-tracing.

7. The date from which the reservation is to take effect may be inserted in the draft boundary notification.

(3) Letter No. 9920, dated the 26th May 1913, from the Conservator of Forests in Mysore :—

I have the honor to retransmit herewith the marginally noted papers relating to the settlement of the Ittikaldurga Forest Block IV, in the Bagepalli Taluk, received with your letter No. R. 6563—Ft. 150-12-2, dated the 8th instant, and to state as follows :—

1. Revenue Commissioner's letter to the General and Revenue Secretary, No. 9089, dated 26th April 1913.
2. Forest Settlement Officer's letter No. 137, dated 16th October 1912, to the Revenue Commissioner.
3. "B" Register.
4. "C" Register.
5. Map and topo-tracing.
6. Boundary description statement.

(1) In the boundary description statement, forming an enclosure to the Forest Settlement Officer's No. 137, dated the 16th October 1912, the starting point on the northern boundary of the block is not well defined and clear. Hence I request the bracketed portion thereof may kindly be caused to be modified as follows to ensure definiteness :—

Starting from a point "situated 10 chains to the north-east of the hotte-bands on the southern boundary of Nallacheruvu and 17 chains to the south-east of the south-east corner of Survey No. 104 of Nallacheruvu," the line runs north-east, etc.

2. With the above modification, the notification under Section 17 may be kindly caused to be issued early.

4	Gangareddi, patel of Singappagaripalli, on behalf of the raiyats.	16th Aug. 1911	States that the preliminary demarcation line touches the edge of cultivated lands and requests that it may be shifted away from them, and that the line may be deviated to the south as the extent of grazing lands is quite inadequate for the village cattle.	.....	As sufficient extent of lands has been left for the use of the village cattle, there is no need to exclude any portion of the land proposed for the inclusion in the Forest.	This is a village almost shut up in the valley by means of the surrounding hills; and it is not possible to do away with the demarcation line on even one side of the village which is almost hemmed in by the forest boundary. The line also runs at the edge of the hamlet known as Kasbedu in Survey No. 37. Having regard to these inconveniences which cannot be overcome, I would exclude some lands from the proposed extent. The northern boundary line which now touches cultivated lands (Survey Nos. 17, 14 and 46) will be shifted farther to the north to a distance of 10 chains and the eastern line also to a distance of 10 chains as it touches Survey Nos. 38, 37 and 22. A margin of 5 chains will also be left on the west, south and east sides of cultivated land. (Survey No. 30.) As the southern boundary touches the edge of occupied land bearing Survey No. 20 it will as usual be shifted farther away by 5 chains on the south side of the said survey number. C. 8	Ramareddi, patel of Ramojipalli, on behalf of the raiyats	22nd Aug. 1911	States that cultivated Survey Nos. 119, 121 and 118 are within the proposed line and begs that these survey numbers as well as the bit of land to the north of them may be excluded, and the line shifted to the foot of the hills.	.....	The land remaining for the village is quite adequate and hence the line may be confirmed	Survey Nos. 119,120,121 and 118 are occupied lands. All these survey numbers will be treated as enclosures within the block with a margin of 5 chains and with a right of way along the foot-path leading from Survey No. 112 (tank) to Nettakuntapalli. As a large extent of land, *viz.*, 1,139 acres of kharab and 122 acres of gomal for the pasturage of 219 head of cattle still remains for the use of the villagers, the patel's prayer to exclude a bit of land to the north of the survey numbers referred to above, is rejected. 12	Channappa, patel of Gummalpalli, on behalf of the raiyats.	16th Aug. 1911	States that if the line is confirmed his cattle will be deprived of pasture lands and prays therefore that it may be shifted half way further to the west right throughout.	.....	As sufficient extent of pasture lands has already been left for this village there is no necessity to exclude any portion of it now.	As this village contains five detached hamlets advantage cannot be taken of the assignment of a large extent of gomal land, *viz.*, 618 acres, by all the raiyats of these dakle villages, as it is not within an easy distance of all of them. As the village is surrounded on two sides by the forest boundary, and as the strip of land adjoining the tank being maidan, is better suited for grazing, I would exclude this strip from the reserve. The line will accordingly be deviated at the north-west corner of the tank (Survey No. 13), and made to run north-west for a distance of 8 chains, along the western boundary of Survey No. 21, then south-west in a straight line through Survey No. 22, for	The plot of ground marked 'A' and 'B' in the sketch-map should be excluded from the reserve, for the use of the raiyats concerned. An extent of 1910 acres is left for the use of 980 head of horned cattle and hence the village requires no consideration.	A large area of gomal and kharab lands still remains undisturbed for the use of the village cattle. 17	Chowdareddi, patel of Kamsanpalli, on behalf of the raiyats.	16th Aug. 1911	Requests that some lands may be excluded from the reserve, as the cattle of Elakalapalli and those of four adjoining villages have been grazing in the kharab and gomal lands of his village.	.....	As sufficient lands have been excluded, there is no necessity to leave more lands for the raiyats.	The extent of lands proposed to be taken from the village is 300 acres of kharab and 165 acres of gomal land. The area of gomal remaining for the use of 217 head of horned cattle is about 269 acres. This extent is apparently adequate for the pasturage of the village cattle. But, as the preliminary demarcation line, *viz.*, the eastern boundary runs through the level grounds fit more for pasturage of cattle, than for forest purposes, and as it now includes a katte to which the cattle of the adjoining village of Nallacheruvu go for water, I would exclude this katte altogether from the reserve, as also a narrow strip of land about 87 acres. The line will accordingly be shifted at its north-west corner to a distance of 10 chains, then made to run parallel to the proposed line for a distance of 51 chains and then south-west for about 72 chains so as to meet the eastern corner bandhs of Survey No. 80 C. N.B.—It is also hereby ordered that the right of maintaining the tanks and kattes ordered to be treated as enclosures within the block, be vested in the raiyats concerned

Order.—As there seems to be an erroneous understanding that advances of one year's pay are admissible for purchasing houses in the extensions on the analogy that advances of six months' pay are admissible equally for house-building and house purchasing under Article 136, Civil Account Code, Government are pleased to lay down that Government Order No. Fl. 1894-934—Ml. 478-06, dated 9th October 1909, directing the grant of one year's pay as advance should be strictly applied to cases of house-building only. One of the objects of the special concessions is to facilitate new houses springing up in the extensions as the house purchase does not bring any new house into existence. Government do not consider it necessary to grant one year's pay as advance for house purchasing. In cases of purchase the advance should be limited to six months' pay according to Article 136 of the Civil Account Code, Volume I, 7th Edition.

READ—

The consolidated preliminary budget for the year 1913-14 and the Comptroller's notes thereon.

NO. FL. 451—G. F. 186-12-2, DATED BANGALORE, 21ST JULY 1913.

ORDER THEREON.—The revised estimate framed by the Comptroller on the basis of eight months' actuals shows that the revenue and expenditure for the year 1912-13 which were estimated at Rs. 2,44,60,000 and Rs. 2,78,06,000 stand revised at present to Rs. 2,72,92,000 and Rs. 2,48,68,000 respectively. The net result of the transactions of the year is therefore expected, according to the revised, to be a surplus of Rs. 24,24,000 against a deficit of Rs. 33,46,000 anticipated in the budget estimate.

2. This improvement is the combined result of the revenue being Rs. 28,32,000 higher than the budget estimate and the expenditure Rs. 29,38,000 lower. The increase on the revenue side is contributed by almost all the heads, but the most noticeable is the increase of about 11 lakhs from the sale of sandalwood.

3. On the expenditure side against a grant of 43 lakhs for several items of special capital work which are now on the programme of the Government, there is a lapse of 23·95 lakhs. There was also a similar lapse of 5·43 lakhs in the ordinary grants owing chiefly to savings in the salaries and expenses of Civil Departments and the grants of the Medical and Educational Departments not being fully utilized.

4. About 62 per cent of the divergence between the budget and the revised estimates of 1912-13 is therefore due to the sandalwood windfall and the lapse under the special capital works. Government note that under ordinary heads of receipts and expenditure the estimates were fairly accurate and the difference, if any, under these heads did not exceed the limits of a moderate margin of safety.

5. *Budget, 1913-14.*—As regards the budget estimates for 1913-14, the estimate of revenue and receipts as provisionally accepted by Government is Rs. 2,53,17,000, but the Comptroller suggests that in view of the special conditions of the year and on the strength of the previous actuals a sum of Rs. 3,51,000 in the aggregate may be added as per details in the margin. Government are pleased to accept the Comptroller's suggestion and also to add on the basis of previous actuals a sum of Rs. 44,000 to the estimate of Land Revenue and of another sum of Rs. 5,000 to that of the Forest Revenue. The total estimate of revenue and receipts as accepted will, therefore, be raised by 4 lakhs and placed at Rs. 2,57,17,000.

	Rs.
VII. Stamps	... 75,000
VIII. Registration	... 17,000
IX. Mining royalty and leases	... 91,000
XI. Profit or loss	... 1,58,000
XIV. Education	... 7,000
Total	... 3,51,000

6. The total expenditure under all heads as provisionally sanctioned by Government amounts to Rs. 2,99,49,000. Certain items of expenditure which are considered necessary have been subsequently added by Government. A list of such items is given in Statement A appended to this order and aggregates Rs. 9,05,799. Several proposals from the various departments of the State are now before the Government in various stages of consideration. The cost of these schemes and certain other items of necessary expenditure have had also to be added. These items are enumerated in Statement B appended and aggregate Rs. 7,20,500. As all these schemes are not in a stage where action can be immediately taken, Government consider it enough if a lump sum grant of 5 lakhs be added under the head "26. Miscellaneous" to be appropriated later on under the several heads of account as the schemes mature and are brought to operation. Adding these two items aggregating Rs. 14,06,000, the total estimate of expenditure will be Rs. 3,13,55,000.

7. The budget estimates for 1913-14, therefore, provide for a revenue of Rs. 2,57,17,000 and for a total expenditure of Rs. 3,13,55,000 and result in a deficit of Rs. 56,38,000. The detailed budget as sanctioned above, should be published as usual in the *Mysore Gazette* for general information with an explanatory financial statement.

8. Government note that the deficit of Rs. 56,38,000 adverted to in the preceding paragraph is only nominal as this excess of expenditure over the revenue of the year is caused by the large grants for the marginally noted special capital works, the ways and means for which have been separately discussed and arranged for. As these works have to be carried out of the accumulated savings of previous years, they do not properly appertain to the regular expenditure of the year though for purposes of recording the financial transactions for the year, they are included in the expenditure statement. If these items aggregating Rs. 65,10,000 are left out of calculation, the result of the budget will be a surplus of Rs. 8,72,000. Leaving the transactions relating to the Cauvery Power Scheme (excluding the 4th installation) out of consideration the result of the transactions on the ordinary account will be a nominal deficit of Rs. 46,000.

Proceedings of the Government of His Highness the Maharaja of Mysore, Financial (Separate Revenue), dated 16th July 1913.

READ—

Correspondence ending with letter No. 6563, dated the 25th February 1913, from the Excise Commissioner in Mysore, submitting the records of enquiry relating to the Inamdars' claim to the toddy excise revenue of Jodi Peelavara village, Bowringpet Taluk, Kolar District.

No. FL. 378-9—S. R. 205-11-5, DATED BANGALORE, 16TH JULY 1913.

ORDER THEREON.—Though notices were served on the inamdar and the proprietor of the village to prove their title to the toddy excise revenue of the village, they did not appear before the investigating officer. An *ex parte* decision had therefore to be passed disallowing the claim, and this was communicated to the parties concerned. The claim not being established, Government direct that the shop in the village be removed from the list of inam shops and treated as a Government shop.

Secy. to Govt., Gen. & Rev. Depts.

(1) Letter No. 5362, dated the 16th January 1913, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the toddy excise revenue of Jodi Karahalli village, Bowringpet Taluk, Kolar District.

(2) Letter No. 7, dated the 5th July 1913, from the Superintendent of Inam Settlements in Mysore, forwarding a copy of the Inam Register of enquiry relating to the village in question.

No. FL. 596-8—S. R. 185-12-4, DATED BANGALORE, 30TH JULY 1913.

ORDER THEREON.—The village has no shop but only a few date trees. The sannad has not been produced, while the Inam Register of enquiry reserves the right to Abkari revenue in favour of the State. The evidence adduced by the inamdars concerning their right to the excise revenue of the village is by no means convincing.

The Deputy Commissioner and the Excise Commissioner are of opinion that the inamdar is not entitled to the excise revenue from toddy. Government, agreeing with the above view, hold that the inamdar is only entitled to one-fifth of the grove farm rent under Rule 4 of the Rules issued in Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901.

Letter No. 2977, dated the 29th March—8th April 1913, from the Secretary, Insurance Committee, submitting the Annual Report on the working of the State Life Insurance Scheme during 1911-12.

NO. FL. 245-6—B. 44-12-2, DATED BANGALORE, 10TH JULY 1913.

ORDER THEREON.—During the year 1,468 proposals were dealt with as against 1,496 in the previous year and 1,158 policies assuring a bonus of Rs. 6,68,251 for a monthly premium of Rs. 2,486 were finally issued.

2. The receipts of the fund during the year amounted to Rs. 3,45,105-1-1 and the disbursements to Rs. 1,16,502-14-1 and the balance at the credit of the fund which was Rs. 21,95,039-3-0 at the beginning of the year stood at Rs. 24,23,641-6-0 at the end of the year.

3. Forty-three persons holding 75 policies assuring a bonus of Rs. 45,820-4-0 attained their 55th year during the year under review. Of these, 29 persons holding 56 policies were paid their claims and the remaining 14 persons holding 19 policies had not preferred their claims by the close of the year.

4. Including 89 death claims for Rs. 70,906 discharged during the year, 711 death claims for Rs. 6,32,898-12-0 have been discharged from the commencement.

5. There were 92 deaths during the year as against 94 in the previous year. As usual, plague accounts for the largest number of casualties, being 30·43 per cent of the total mortality.

6. The cost of management is, as usual, kept low, being only 2·26 per cent of the premium income as against 2·59 per cent in the previous year.

7. It is a matter for regret that so very few persons have taken advantage of the Family Pension Fund. The Committee is requested to investigate the cause of this and to suggest means for popularising this beneficient scheme.

Financial Secretary.

No. J. 284—POLICE 1-13-2, DATED BANGALORE, 28TH JULY 1913.

ORDER THEREON.—Recorded, with the observation that in future the report should be submitted on or before the prescribed date.

K. R. SRINIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector-General of Police in Mysore.
The District Magistrates of Districts.

Letter No. 5467—658, dated Bangalore, 30th June 1913, from C. Srikanteswara Aiyar, Esq., B. A., B. L., Inspector-General of Police in Mysore, to K. R. Srinivasiengar, Esq., M. A., Secretary to Government of His Highness the Maharaja of Mysore, General and Revenue Departments.

I have the honor to submit the following Report on the working of the Mysore Arms Regulation and the Rules framed thereunder for the calendar year 1912.

2. Statement No. 1 hereto appended shows the total number and description of licenses issued under the several forms. It will be seen therefrom that 16,410 licenses were issued during the year, *i.e.*, 637 more than those issued in the year 1911. The increase was generally under Forms IV and VI. The districts of Kolar, Tumkur and Shimoga show a general increase, Shimoga contributing the largest number, *viz.*, 437. The District Magistrate explains this large increase as due to many fresh applications for licenses to possess fire arms being granted as a matter of necessity, owing to the ravages of the wild elephants.

3. During the year under report, only one license to transport arms, ammunition or Military stores under Form I was taken out and no applications were received for licenses to go armed on a journey.

4. There were 68 licensed dealers in sulphur, against 70 in the year 1911. The total quantity of sulphur for which licenses were issued during the year was 67 tons, 18 cwts., 3 qrs. and 24½ lbs., against 67 tons, 13 cwts., 3 qrs. and 18 lbs. in the year previous, showing an increase of 5 cwts. and 6½ lbs. There was a balance of 9 tons, 3 cwts. and $22\frac{11}{16}$ lbs. of sulphur on hand on 1st January 1912. The quantity purchased during the year was 18 tons, 14 cwts., 1 qr. and $\frac{2}{4}$ lbs. and the quantity sold was 15 tons, 8 cwts., 3 qrs. and $3\frac{37}{80}$ lbs. Thus there remained unsold with the dealers at the end of the year, 12 tons, 8 cwts., 2 qrs. and $19\frac{13}{16}$ lbs. of sulphur. This was generally issued for preparing medicines and for fireworks.

5. During the year 1912, 92 licenses on Forms II and III were issued as against 95 in the year 1911. Three shops, 2 in Bangalore and 1 in Mysore, having been closed without any transaction, there were only 89 shops for inspection, out of which 47 were inspected by the Superintendents of Police, 44 by Magistrates and 38 by Inspectors.

6. Sixty-seven persons in 67 cases were prosecuted during the year for breaches of the provisions of the Regulation, and 57 in as many cases were convicted, 6 cases involving 6

persons ending in acquittal or discharge; and 4 cases with 4 persons were pending at the close of the year. The following statement gives the Districtwar details of the prosecution instituted as compared with those of the year previous:—

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Government Order No. 165-76—L. B. 17-9, dated the 9th July 1904, directing that the provisions made in the Municipal and District Fund Budgets on account of charges in Local Fund Dispensaries should be treated as contributions to the State Medical Budget.

2. Government Order No. 987-96—L. B. 307-06-6, dated the 2nd August 1907, directing that the Comptroller should, at the end of the year, debit to the District and Municipal Funds concerned, only the actual cost of country medicines supplied to each dispensary after ascertaining the same from the Senior Surgeon.

3. Comptroller's Circular L. F. No. 378, dated the 28th January 1910, issuing the following instructions to the Presidents of the several District Boards in regard to the adjustment of the dispensary charges,

(i) That contributions on account of establishment, travelling allowance, dieting charges and fixed contingencies should be adjusted monthly by issue of cheques by the Presidents in favour of the Treasury Officer for 1—12ths of the amount provided therefor in the budgets for credit to the Medical Department.

(ii) That contributions in respect of the varying charges, *viz.*, bedding and clothing, furniture, midwives' articles and country medicines would be adjusted by his office on the requisition of the Senior Surgeon and intimated to the Presidents.

(iii) That contributions on account of construction and repair of Local Fund dispensaries should be adjusted by the Presidents as laid down in Government Proceedings No. 3891-902—L. B. 112-08-2, dated the 28th October 1908.

4. The several communications from the Presidents of the District and Municipal Boards of the several districts forwarding (in reply to this office memo No. 655-62—L. B. 244-09-3, dated the 21st July 1910), the opinions of the several local bodies in regard to the procedure suggested in the Comptroller's circular.

No. 7-18—L. B. 72-10-19, DATED BANGALORE, 2ND JULY 1913.

ORDER THEREON.—The procedure laid down in Government Orders read above, regarding the adjustment of dispensary charges has been departed from to the extent that the actual expenditure in respect of bedding and clothing, furniture, midwives' articles, besides country medicines is adjusted by the Comproller in the final accounts after the close of the year. This deviation seems to have been the result of the Senior Surgeon keeping detailed accounts of actual expenditure in each dispensary under these heads.

2. The majority of the District and Municipal Boards are in favour of the procedure enunciated by the Comptroller in his circular while a few Municipal Boards in the Shimoga and Kadur Districts and the District Board of Kadur are of opinion that only the actual charges of both the fixed and varying items should be debited to the local bodies concerned. Some of the Boards are also of opinion that all the charges relating to Local Fund Dispensaries should be adjusted only at the close of the year and the details of expenditure intimated to them.

3. Government are of opinion that the District and Municipal Boards should be liable, as far as possible, only for the actual expenditure incurred on their behalf. But as pointed out by the Comptroller the application of this principle to all the items of dispensary charges will involve extra labour out of all proportion to the benefits resulting therefrom. Moreover, so far as establishment and other fixed charges are concerned, the variation between the actual expenditure and the budget provision will not be large.

The suggestion of some of the Local Boards that only the actual charges not only of varying but also of fixed items should be debited to them does not, therefore, commend itself to Government. They are, therefore, pleased to direct that as regards fixed charges such as establishment, travelling allowance, house rent, fixed contingencies, diet to patients and rewards for extra labour cases, etc., the course suggested in para 2 (1) of the Comptroller's circular No. L. F. 378, dated the 28th January 1910, should be adopted and that, as regards varying charges, only the actual cost incurred should be debited to the local bodies concerned.

Local Fund and Sanitary (Local Boards), dated 2nd July 1913.

4. The next point for consideration is the method of adjustment of these varying charges. The present arrangement of the adjustment being made in the Comptroller's Office once a year on receipt of detailed statements of supplies made by the Medical Stores to all Local Fund Dispensaries is found inconvenient. Government consider that the best method is for the Medical Stores supplying the articles, to send bills along with them so as to enable the Presidents to immediately issue cheques on account of the bills. The Senior Surgeon seems however to think that this arrangement will cause some inconvenience in ordering supplies from contractors and paying them. There need be no such inconvenience. The grant required for purchasing articles for supply to the Local Fund Dispensaries will be provided for under "Medical Stores" and the Senior Surgeon will draw money to pay the contractors supplying the above articles in the same way as he does while purchasing articles for Government Hospitals. The wholesale purchase of articles from the contractor will continue and their supply to the various institutions will be made on indents. It is expected that by this arrangement, the supplying department, *viz.*, the Medical Stores, will recover its dues at once, leading to much simplification in accounting. The Comptroller is therefore requested to issue necessary subsidiary instructions in modification of para 2 (ii) of his circular dated the 28th January 1910, regarding the adjustment of cheques issued by the Presidents for the supply of articles made to the Local Fund Dispensaries and the stock and other accounts to be maintained by the Senior Surgeon in respect of these articles.

5. The charges on account of construction and repair of dispensary buildings shall continue to be adjusted in accordance with the instructions laid down in Government Proceedings No. 3891-902—L. B. 112-08-2, dated the 28th October 1908.

Letter No. 229, dated the 12th July 1913, from the Sanitary Commissioner, reporting on certain cases of vaccination referred to in the articles, on vaccination in Mysore, that appeared in the "Madras Standard" on the 1st May 1913, and in the "Indian Patriot" on the 3rd idem.

No. 679—SAN. 141-12-5, DATED BANGALORE, 16TH JULY 1913.

ORDER THEREON.—The report furnished by the Sanitary Commissioner describes the facts correctly and fully.

Government are accordingly pleased to direct that the report be published as a Press communique.

D. M. NARASINGA RAO,
Deputy Secretary to Government in charge.

To—The Sanitary Commissioner in Mysore.

Letter No. 229, dated 12th July 1913, from the Sanitary Commissioner with the Government of Mysore, to the Secretary to Government, General and Revenue Departments.

With reference to your D. O. No. 296, dated the 9—10th May 1913, forwarding excerpts from the "Indian Patriot" of the 3rd and the "Madras Standard" of the 1st idem regarding certain bad effects alleged to be due to vaccination, I have the honor to submit the following report.

2. I have caused careful enquiries to be instituted into the several cases referred to in the articles with results as under :—

(*a*) *Eruptions.*—It is true that eruptions supervened the vaccination of three children; but it is ascertained that they are traceable, in one case to chicken-pox contracted by the child just before or after the vaccination, and in the other two cases to the indiscriminate handling of the vaccination vesicles. In none of these cases is the alleged impurity of the lymph deducible.

(*b*) *Deaths.*—Three deaths are said to have resulted from vaccination. But Lakshmana Naidu, Translator of the Kolar Gold Fields Magistrate's Court, and the Head clerk of the District Excise Office, Chikmagalur, have stated in the enquiry that their children died of convulsions and diarrhœa respectively. The other case is that of Mr. Sanjiva Rao's own child. Mr. Sanjiva Rao believes that his child's death was a result of bad vaccination; but it is established that the child had been under treatment for indigestion and diarrhœa until long after the date of its vaccination and that none of the other nine children vaccinated with the same lymph exhibited any untoward symptoms.

(*c*) *Unsuccessful vaccination.*—It is not in 8 cases as stated in the newspaper articles but only in four that the results of vaccination were unsucessful in Bowringpet out of 27 cases vaccinated and re-vaccinated. Such results are usual in the field of vaccination and do not necessarily imply bad vaccination, the peculiarities of the constitution of the persons vaccinated being a vital factor of influence in this matter.

(*d*) *Compulsory segregation of a Mahomedan family.*—On the occurrence of a small-pox case in the Mahomedan family referred to, option was given to its members to shift to either a ward in the Infectious Diseases Hospital on the Kolar Gold Fields or any private place and the family chose to put up a shed near a step well. The death of the father and his child from drowning is admittedly accidental.

3. These observations dispose of the several material allegations published in the two newspapers. I may state that the Department has been devoting its earnest attention to the devising of suitable measures calculated to promote the efficiency of vaccination in all its branches.

The late Chief Commissioner's Circular No. 729, dated the 13th May 1870, issuing instructions for the conduct of local Officers on the outbreak of cholera in villages.

2. Circular No. 4039-46—Mis. 700, dated the 3rd September 1901, to the Deputy Commissioners of Districts, forwarding copy of the Rules framed by the Senior Surgeon and Sanitary Commissioner, *re* safeguarding of water-supply in villages infected with cholera.

3. Correspondence ending with letter No. 4887, dated the 5th June 1913, from the Sanitary Commissioner, submitting the report dated the 2nd idem, from the District Medical and Sanitary Officer, Bangalore District, regarding the outbreak of cholera in the village of Hukunda, Kankanhalli Taluk, and the measures adopted for its suppression.

No. 1271-81—SAN. 138-12-2, DATED BANGALORE, 30TH JULY 1913.

ORDER THEREON.—From the report received, it is observed that the first case of cholera in the village of Hukunda occurred on the 10th May 1913. The Patel of the village did not, however, report the outbreak to either the Medical Officer or the Taluk authorities until the 13th May 1913, although five members of his family had by then been attacked by cholera. The Shekdar remained absent from the station, while the Shanbhog of the village appears to have hastily left the village without furnishing any sort of intelligence to the higher authorities.

2. Government consider that the conduct of the Patel should be suitably noticed as he failed to carry out the instructions conveyed in Government Proceedings No. 1389-99—San. 199-09-4, dated the 10th August 1910, in regard to the prompt reporting of the outbreak of cholera to the Sub-Assistant Surgeon. The conduct of the Shanbhog and the absence of the Shekdar require to be further investigated and suitably noticed by the Deputy Commissioner. The punishments awarded to the persons at fault should be reported for the information of Government, within two months from this date.

3. Government further observe that the District Medical and Sanitary Officer did not sufficiently realise his responsibility when he rested satisfied for a time with the belief that the Sub-Assistant Surgeon was competent to deal with the situation. In view of the virulence of the outbreak, the District Medical and Sanitary Officer should have, immediately on receiving the first report, proceeded to the spot instead of waiting for the infection of other villages. Government, therefore, desire that their displeasure should be communicated to Mr. V. Muttuswami Dass.

4. The gross negligence displayed by the patel who evidently permitted the main source of water-supply to be polluted in the manner reported by the District Medical and Sanitary Officer, shows that the rules framed by the Senior Surgeon and Sanitary Commissioner in this connection, referred to in the circular dated the 3rd September 1901 read above have not been prominently brought to the notice of the Taluk and Village Officers.

5. With a view to prevent laxity in dealing with such situations in future, Government direct that the Deputy Commissioners of Districts and the Sanitary Commissioner should give strict attention to the due enforcement of the standing orders of Government in the matter and promptly bring to book all public servants who prove unequal to the duty expected of them.

Letter No. 10707-8—602, dated the 20th March 1913, from the Inspector-General of Education in Mysore, submitting the Budget Estimates of the Village School Fund for 1913-14, together with an explanatory memo.

MEMORANDUM.

Accompanying the Village School Fund budget for the year 1913-14.

Receipts.

The estimate of receipts for 1913-14 causes an increase of Rs. 600 over that sanctioned for the current official year. The increase occurs under two items, *viz.*, school fees and examination fees. The average of school fees and examination fees actually collected during the past two years 1910-11 and 1911-12 comes to Rs. 2,071 and Rs. 16,046, respectively, and consequently the receipts under these two heads have been raised to Rs. 1,900 and Rs. 15,500 or by Rs. 100 and Rs. 500, *i.e.*, by Rs. 600 in all. The receipts from other sources remain unaltered.

Expenditure.

The estimated expenditure for 1913-14 is more than that sanctioned for 1912-13 by Rs. 682. The increase is due to the following variations:—

1. *Instruction—General.*—Lumpsum of Rs. 5,000 and Rs. 5,172 for opening new schools, for additional hands, increase of pay to menial servants and for rent and contingencies have been provided in the current year's budget. Out of these amounts, Rs. 5,172 has been distributed and 28 new schools at an annual cost of Rs. 4,998 were opened in accordance with Government Order No. 1029-30—Edn. 712-2 of the 31st July 1912, leaving an unutilized provision of Rs. 2 which is now omitted. Provision is made for opening an Anglo-Vernacular School at Kanmambodi at an extra cost of Rs. 540 as per Government Order No. 5177-8—Edn. 190-12-2, dated 18th January 1913, and local allowance amounting to Rs. 24 is included as per Government Orders No 6474-5—Edn. 215-12-2, dated 25th February 1913 and No. 7157-8—Edn. 190-12-4, dated 10th March 1913.

2. *Grants-in-aid.*—This head remains unaltered.

3. *Scholarships.*—There is no alteration under this head.

4. *General.*—The provision of Rs. 50,000 sanctioned for buildings in the current year's budget is repeated pending orders on the proposal submitted to Government for the renewal of the grant for the year 1913-14.

5. *Local Examinations.*—An additional sum of Rs. 120 is provided on account of the periodical increment of pay to the Manager of the Local Examinations.

SUMMARY.

The budget estimates provide for receipts amounting to Rs. 3,40,762 and expenditure amounting to Rs 3,81,889. The receipts and expenditure will have to be increased by the necessary amount for recurring charges after the details of expenditure from the special grant of one lakh of rupees sanctioned during the current year from State Funds for opening new schools and for improving the existing schools, are definitely known after fully working out the grant. The excess of expenditure, *viz.*, Rs. 41,127, may, as usual, be ordered to be met from the cash and funded balances at the credit of the Village School Fund or a corresponding amount be given as a grant from State Revenues.

Proceedings of the Government of His Highness the Maharaja of Mysore,

No. 28-9—Edn. 310-12-2, dated Bangalore, 2nd July 1913.

2. The increase of Rs. 600 under receipts is on account of increased income expected from school fees and examination fees. This is accepted. To the Inspector-General's estimates, a sum of Rs. 28,632 will be added on account of further contribution from the State Funds to the Village School Fund as per details given below:—

	Rs.

The total receipts of the Village School Fund for 1913-14 will accordingly be Rs. 3,69,394.

3. The Inspector-General's estimate of expenditure, *viz.*, Rs. 3,81,889, provide only for ordinary and other sanctioned charges and the variations are explained in the memo read above. For village school buildings, the Inspector-General of Education has included a sum of Rs. 50,000 against the normal grant of Rs. 5,000. This provision will be retained as it has been sanctioned on a separate recommendation from the Inspector-General of Education (*vide* Government Order No. 9182-3—Edn. 300-12-2, dated the 20th May 1913). The following charges will be added to the Inspector-General's estimates:—

The excess of expenditure over receipts, *viz.*, Rs. 43,367 will be met from the cash balance of about Rs. 46,000 at the credit of the fund on the 1st July 1913.

No. 1320-1—EDN. 351-10-7, DATED BANGALORE, 30TH JULY 1913.

ORDER THEREON.—The transfer of teachers from schools maintained from the Village School Fund to schools maintained from State Funds, and *vice versa*, is often found necessary to afford promotion to deserving men and to effect suitable arrangements in the interests of public service. The Comptroller to Government is reported to have taken objection to such transfers effected by the Inspector-General of Education without the sanction of Government, on the ground that they involve payment from Local Funds over which the Inspector-General has no control, and questions of contributions for pension also arise. The Government consider that the transfer of these petty school masters is not of sufficient importance to require their sanction in each individual case, and they are accordingly pleased to delegate to the Inspector-General of Education the power of transferring officials from one class of the institutions named to the other, a copy of the order issued in each case by the Inspector-General being sent to the Comptroller to Government for information.

Letter No. S. 489, dated the 1st April 1913, from the Deputy Commissioner, Bangalore District, reporting that the Swiss Cottage tent which had been supplied for the use of his office from the Government Stores on the 15th December 1910, was lent to the Bangalore City Municipality on the 3rd March 1913, on the occasion of a garden party given by the City Councillors to their former President, and that it accidentally caught fire and was burnt down with the exception of poles and the ridge, and requesting that another tent may be supplied for his office.

2. Correspondence ending with letter No. S. 648, dated the 27th May 1913, from the same officer, furnishing certain additional information in the matter, and requesting that, under the circumstances reported, the recovery of the cost of the tent supplied to his office, may be waived and a fresh tent supplied to his office.

No. G. 707-55—G. M. 67-12, DATED BANGALORE, 26TH JULY 1913.

ORDER THEREON.—Tents from the Government Stores are supplied to Government officers for public use and when the officers lend them to be used for other purposes, they do so on their own personal responsibility and at their own risk.

2. The tent in question having been destroyed while it was lent to the Municipal Vice-President for other than public purpose, Government see no sufficient justification for waiving their claim to the price of it, as recommended by the Deputy Commissioner.

3. Taking into consideration the fact that the tent had been in use for nearly three and half years after its purchase, Government are pleased to fix its value when it was destroyed, at Rs. 240 (which is a little less than half its original price), and to direct that this amount be recovered from the party concerned. The Deputy Commissioner is requested to have the amount recovered and credited to the Treasury and the fact reported for the information of Government within three months.

4. On receipt of the Deputy Commissioner's report about the recovery of the amount, a serviceable tent will be supplied to him from the Government Stores in place of the one destroyed.

Petition No. 953, dated the 24th August 1907, from Halappiah and others of Mundakar Magani in the Tirthahalli Taluk, praying for proper arrangements being made for the performance of daily and special services in the temple of Sri Mallikarjuna Devaru at Mrigavadhe in the said taluk.

The following letter No. 190—Muz. 57, dated the 5th December 1912, received from the Deputy Commissioner, Shimoga District.

With reference to your Memorandum No. 1518, dated 17th September 1907, forwarding for disposal a petition from Halappa and some other raiyats of Mundakar Magani, praying for proper arrangements being made for the performance of daily and special service in the temple of Sri Mallikarjuna devaru temple at Mrigavadhe in the Tirthahalli Taluk, I have the honor to state that the institution is one held in high esteem in parts of the Shimoga and Kadur Districts, endowed with Sircar and inam lands measuring in the aggregate 385 acres and 39 guntas assessed at Rs. 781-4-0 of which an extent of 133 acres and 5 guntas assessed at Rs. 8-4-0 is an inam Kan. (*Vide* App. A.)

2. Exclusive of the Kan, an extent of 53 acres and 14 guntas out of the assessed lands belonging to the temple lies fallow and the remaining extent which is under cultivation yields at present both in kind and in cash a total income of Rs. 1,668.

3. Besides the above income, the raiyats in the locality used to pay about 10 maunds of Supari every year at the time of car festival in the shape of offerings, but in lieu of it, it is proposed to reconstruct portions of the Chandrasala which has come down, out of subscriptions collected from them. It is reported that a subscription list for Rs. 1,602 has accordingly been circulated for the purpose. An estimate for the repairs of the Chandrasala will be obtained and submitted at an early date.

4. The affairs of the temple were originally looked after with much devotion by archak Subbabhatta. After his death the shanbhog of the temple has been attending to the collection work and has been maintaining the accounts also. The shanbhog has all along been residing at Somavarasante, a village four miles distant from Mrugavadhe, which has not many inducements to offer to settlers on account of its inaccessibility and insalubrious climate.

5. To make effective arrangements for the regular conduct of daily and special services in this important institution and for the proper management of the temple lands yielding an income of nearly Rs. 1,700 every, year the Amildar proposes that it may be taken over under the management of Government.

6. The scale of expenditure recommended by the Amildar provides for payment in cash to all the temple servants in lieu of payments in kind as heretofore, as with the existing arrangement it is not possible to properly regulate the expenditure of the institution A reduction of Rs. 64-9-6 has been made in the expenditure provided for the car festival and provision has been now made for special expenditure required on important festival days. All the services provided for in the proposed scale are said to be necessary. The Shanbhog's pay also is proposed to be increased from Rs. 5 to Rs. 8 per month commensurate with the importance of work and the necessity of his having to reside at Mrugavadhe.

7. The total cost of the proposed scale is Rs. 1,571-12-0 as against a total estimated income of Rs. 1,680-12-0 which leaves a fair margin of Rs. 109-0-0 per annum for repairs of the institution and other unforeseen expenditure.

8. I request that sanction may be accorded at an early date to take the institution under Government management and to adopt the revised scale of expenditure now proposed. (Appendix B.)

9. A statement showing the names of persons who may be appointed Dharmadarsis of the institution is also submitted for favour of sanction.

10. The vernacular papers pending with the Taluk Amildar's report No. 315, dated 21st October 1912, accompany for favour of perusal and obliging return.

No. 71-2—Muz. 388-12-2, dated Bangalore, 8th July 1913.

ORDER THEREON.—Under the circumstances reported in the letter read above Government are pleased to sanction the Deputy Commissioner's recommendation to take the temple of Sri Mallikarjuna Devaru at Mrigavadhe under Government

management. The Government consider that the scale of expenditure proposed by the Deputy Commissioner is suitable and are accordingly pleased to approve of the same.

2. A notification in the matter of the appointment of Dharmadarsis to the institution will separately issue.

3. An estimate for the repairs of the Chandrasala of the temple is awaited.
